

Hello there!

I wanted to pass along this insurance investigation report to you so you could read for yourself the lengths that the insurance company will go to in order to **deny your benefits**. What you read in this report might surprise you! **Pay special attention to the “investigation” and “canvass” sections of the report starting on page 2.**

This is just one more reason why it is so important for you to be 100% open and honest with your attorney, as well as **ALWAYS ALWAYS ALWAYS follow your doctor’s instructions**—no matter where you are! I hope this information finds you well. Be Careful Out There!

Sincerely,

Michele Lewane Esq.,
& your IWLF Team
