

INJURED WORKERS  
LAW FIRM

---

Hello there!

I wanted to pass along this insurance investigation report to you so you can read for yourself the lengths that the insurance company will go to deny your benefits. What you read in this report might surprise you! Pay special attention to the "investigation" and "canvass" sections of the report starting on page 2.

This is just one more reason why it is so important for you to always be 100% open and honest with your attorney, as well as **ALWAYS ALWAYS ALWAYS follow your doctor's instructions**- no matter where you are! I hope this information finds you well. Be Careful Out There!

Sincerely,

*Michele Lewane Esq.*
